

LINKS TAG™

Protection for Head and Shaft

Features:

- Highly tamper resistant
- Multiple alarms: if the plunger is removed, if the cable is cut, if the tag is slipped off or if the clutch is defeated
- Coated to avoid product scratching
- Strong visual deterrence

Frequent Applications:

- Golf clubs
- Fishing poles
- Sporting goods
- Hardware
- Items with handles or shafts

Links Tag alerts your staff if the tag or the product is tampered with - perfect for clubs with interchangeable heads.
