

MINI BOXGUARD™

Mini Profile, Maximum Protection

Features:

- Speaker and blinking LED for strong visual deterrence
- Replaceable battery
- Coated lanyards
- Battery conservation mode
- 2-alarm protection: EAS system and tamper alarm
- Choice of AM or RF

Frequent Applications:

- Small boxed merchandise
- Electronics
- Small household appliances
- Computer accessories

Rubber inlays firmly secure the tag while preventing product damage. Adjustable grips can fit almost any handle or shaft.
